LEARNING FOR LIFE

September 30, 2013

Dear Seventh Grade Families,

Our seventh grade team of teachers is proud to announce three special field trip days for the seventh grade class this year. We will integrate these educational trips into our lessons and activities.

The following field trips are being planned for seventh grade students:

- **Friday, October 18th - Lakeview Cemetery** (half-day trip with afternoon activities)
- **Friday, February 14th - Cleveland Art Museum** (possible full day trip pending schedule accommodations Rock Hall, Natural History Museum, Crawford Museum)
- **Wednesday, June 11th - "World Tour" of Cleveland** (full day trip)

In order to accommodate these trips, and all the activities, a one-time \$20 cash fee is being asked of the students. This fee will cover all associated expenses related to these trips and will also provide students with lunch on June 11th. We look forward to experiencing these events as a way of encouraging students to see the Cleveland area, and discover all it has to offer in new ways.

Lakeview Cemetery Permission slip and \$20 cash fee due to the main office by October 11th.

Sincerely,

7th Grade Team

Michelle Besett, Jill Goodman, Garth Holman, Jeff Luce, Katie Spence
